True Repentance

Last Thursday we had guest speaker, Pastor Rajkumar Patta, share the Word on 'True Repentance'. Jesus did not come to establish a religion, He came as King and brought the good news of His Kingdom. And to enter the Kingdom of God, one needs to repent and believe. True repentance is not limited to the word sin as we often consider, but is the very change of mind and conduct; a turn around from the old ways of compromise and confirming fully to the Word of God. Every unsaved person needs to be born-again and every born-again needs to renew his/her mind. It is a process where, what we do determines our destiny.

Another powerful truth is that a child of God has the power to overcome every attack of the devil. The devil has no power over a child of God except that which is allowed to him. Even as we understand this truth, may the truth bring freedom. We need to realize our position of authority in Christ. It does not mean we will not face challenges, but that we should hold on to the truth of the Word of God and come out as winners!

You attract what you are, not what you want. God is not moved by tears, but by faith. Faith and expectation are very important as we operate in the Kingdom of God. Expectation is the breeding ground for miracles, Pastor Patta stated. He explained the importance of seeing as God sees, before a miracle is manifested. The examples of Abraham, Joseph, Gideon, all explain how they 'saw' before they really experienced awesome miracles and breakthroughs.

We have to live our life inside out! What is inside us should influence the circumstances around us and not vice versa. It is of utmost importance that our spirit and mind be renewed constantly inside and conformed to the Word of God.

Laws of Life - 4

Last Friday we had an awesome and blessed time as Pastor Ashish taught us how to develop our love and trust towards God and each other. In relationships, there are different levels and depths of trust and belief. It depends greatly on the information or the experiences one has. What you know, influences what you trust! Check it out!

The journey of love always starts with curiosity and interest. And as association grows with each other, trust develops and progresses to the next level. 1 Cor 13:7 says that— Love believeth all things. We need to reach that level of belief. And how does it increase? It depends on experience, words, action etc., that is demonstrated. To enjoy and develop this love relationship, we need to constantly remember and dwell on the good things that is shared. Cribbing and complaining doesn't help as it always makes love diminish. We are not to entertain anything that allows love to weaken but let go of all hurt.

Relationship is always extended to each other with commitment. It is built when one honors and keeps the word one makes to the other. During the process of association, there would be periods of testing. Testing always brings trusting. We need to pass this test which helps in building trust. Among the many that Pastor shared, one of the secrets to grow in our relationship with God is trusting Him with all our heart. When we do that, we will not lean to our own understanding. Consistency also shows reliability. And when we are consistent that is when God can truly trust us too. These are just few things shared by our Pastor. Please do pick up a personal copy so that you can be blessed in your walk with God and in your marriage!

This message and other stimulating teachings are available on Audio CD's, DVD's or tapes and an order can be placed at the 'Helpdesk'.

Love suffers long *and* is kind; love does not envy; love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails.
