

Highlights of the Week

THE DUBAI CITY CHURCH

Enjoying The Promises of God

Remember me, O LORD, with the favour that Thou bearest unto Thy people: O visit me with thy salvation; That I may see the good of Thy chosen, that I may rejoice in the gladness of Thy nation, that I may glory with Thine inheritance. Psalms 106: 4, 5

Now the God of peace, that brought again from the dead our Lord Jesus, that great shepherd of the sheep, through the blood of the everlasting covenant, Make you perfect in every good work to do his will, working in you that which is wellpleasing in his sight, through Jesus Christ; to whom be glory for ever and ever. Amen.
Hebrews 13 : 20,21

3 Day Conference - Charting The Course In Changing Times

The "Gentle Giant – Bobby Conner" who preached the Word last week during the three day conference captivated the church with his refreshing humor and razor-sharp prophetic accuracy. The church saw the demonstrations of miraculous healings, signs and wonders which revealed the very heart of the Father toward us! At the end of the conference Pastor Ashish correctly said that God had beautifully rearranged our lives! It was a blessed time and every individual was touched by God's awesome Word.

The Word along with awesome manifestations birthed a fresh tenacity to pursue the Kingdom of God. He released words of blessing over the church for divine favor and an impartation for divine perfection! He blessed that every eye and every ear would become sensitive to the Spirit of God and reminded each one about God's promise of restoration .

During the conference there was a unique voice that cried out to God - "to rend the heavens and come down". This is definitely a significant time in history where we can see an exhilarating speed in the display of God's kingdom power. It is progressing in leaps and bounds with an invasion of the power of God. It is time for showdown between the Kingdom of Light and the kingdom of darkness. And God is preparing His people to take position and charge and cause His will to be done on earth as it is in heaven. There was a constant reminder to be bold and an advice that God has given us a spirit of boldness and a promise that we can do great exploits with His extraordinary anointing. He explained how God can use the ordinary to bring to pass the extraordinary. We are not to lay down and waste the ability that God has put in us. We should realize that the same anointing with which God anointed Jesus is available to those who are fully yielded and obedient to His voice. He is looking for people who are open to His ways and would represent His kingdom, as ambassadors, to this dark world.

God is looking for those hungry and desperate souls whom He can fill and guide continually. He is raising up His church where His kingdom dominion is obvious; captives are set free, demons are cast out, dead are raised and sick are healed. The blessing and authority was given by God even at the beginning of creation and it was again reinstated by Jesus, and each one of us have to learn to walk in that authority! It requires a lifestyle of integrity, purity and a sound biblical foundation. We also need to understand that it is God's good pleasure to give us His kingdom, and that He has good plans for each of us; thoughts of peace, and not of evil, to give us an expected end. And it is of great importance to stay in the place God has prepared for us. There is much more we received in the prophetic during the conference to prepare us for such a time as this!

This message and other stimulating teachings are available on Audio CD's, DVD's or tapes at the 'Helpdesk'.
